Questions or disputes shall be settled by the on-site Rules Committee appointed by the PGA TOUR, whose decision shall be final.

GROOVE SPECIFICATIONS

Open Qualifying contestants **MUST** use equipment which conforms to the 2010 Condition of Competition for Groove Specifications as implemented in the PGA TOUR, Champions Tour and Nationwide Tour Local Rules and Conditions of Competition (Hard Card). This condition shall **NOT** apply to Pre-Qualifying. The complete specifications for grooves in elite competitions along with a public database listing conformity of many clubs can be found at USGA.org or by contacting the USGA Equipment Standards Department at (908) 234-2300. Players should confirm that their equipment conforms to the new specifications well in advance of the competition and should be aware that conforming equipment must be used in Open Qualifying, even if a player is successful in pre-qualifying with non-2010 conforming grooves.

If, before or during the competition, a player has doubt as to the conformity of a club, PGA Section officials will attempt to determine the status of the club(s), but play will not be delayed in doing so. There will be no on-site field testing for groove conformity at Open Qualifying. In the event conformity is still in question and this affects which players advance through the qualifying, the club(s) will be taken to the tournament site for testing. Should the player be disqualified as a result of the test, the Open Qualifying spot(s) will be replaced by the next player(s) on the PGA TOUR alternate list.

In the event that it is discovered that a player's club(s) do not conform after the close of the competition, the provisions of Rule 34 of the Rules of Golf shall apply.

In the event the competition is canceled after play has begun, all entry fees will be refunded, minus a \$25.00 administrative charge per player and fixed golf course expenses. A player will not receive a refund for withdrawing from the competition due to any delay of play due to weather of the like. The risk of delay lies solely with the player and that the Section has no liability with respect to any such delay and the consequences there from, including rejection of entry (see SIMILAR RIGHTS/ DECLARATIONS on entry form).

If in the judgment of the on-site PGA TOUR Rules Official or designee, whose decision shall be final, conditions render commencement or continuation of tournament play inadvisable, play shall be postponed until such time as the PGA TOUR Rules Official or designee determines that such weather conditions or other occurrences or conditions have improved sufficiently for play to commence or resume.

In situations involving adverse weather conditions or any other occurrence or condition, our first priority is the completion of the qualifying competition. Every effort will be made to achieve this objective by the end of the scheduled competition day. In the event the qualifying competition cannot be completed by the end of the last scheduled competitive day, play will be extended one additional day. If the completion of the qualifying competition is impossible by the end of one additional day, the next priority will be the completion of the competition by the end of one additional day. However, the Open Qualifying competition will not continue beyond the end of the day preceding the first scheduled round of the competition. In the event that an 18-hole Open Qualifying is unable to be completed, qualifying positions will be filled by the next available players from the Nationwide Tour alternate list.

PGA TOUR Reserves the right to change the format, venue(s), qualifying spots and allotments, and other criteria set forth herein as presently contemplated due to adverse weather or other circumstances. In such cases, the decision of the on-site PGA TOUR Official in charge shall be final.
